ANNOUNCEMENT

Each year the Regional Shorthorn Show and Sale held at Jamestown, N. D., has grown in size, territory that it reaches and in public popularity. The consignors of cattle to this year's event, who are from Montana, Minnesota, North Dakota and South Dakota, have again reserved their very finest products to further cement the prestige that this annual sale enjoys.

These cattle have been screened by inspections made by various competent Shorthorn men who are interested in the welfare of the Shorthorn breed and the continued success of the Regional Shorthorn Sale, and feel that the consignments will prove to be one of the top offerings ever offered at any consignment sale in the Northwest.

There are numerous top herd bull prospects — in fact, some of the very best individuals you can find both as to type and breeding will be offered. Real commercial and farmer bulls will be available in numbers to satisfy the needs of any cattleman. Regardless of what your bull needs might be you can find it in this sale!

The female offering is equally as desirable as the bull offering. Herd replacements or foundation females will be found here. They are as desirable as any you can locate in any area and many of them are bred or will sell with breeding privileges to some of the top young herd bulls in the nation. It is no idle boast that the Northwest has some of the greatest bulls in the Shorthorn breed that are siring calves of both sexes that compare with the production of any herd in the country.

Shorthorns that have been previously sold at Jamestown have gone on and done a grand job for their purchasers. The sale offering this year is literally studded with gems of the breed — there is no better place to buy quality Shorthorns at reasonable prices than in the Fourteenth Annual Regional Shorthorn Show & Sale to be held at Jamestown on Tuesday, October 22, 1957.

We sincerely hope to see each and every one of you at Jamestown and please accept this message as a personal invitation from the consignors for you to be their guest on this day. Those of you who have attended this event know that it has become an annual must — for those who have never been in attendance we are quite frank when we say that you have been missing one of the outstanding livestock sales in this area. We'll be looking for you!

SHOW

We are indeed proud to be able to announce that Clem Larson of Callendar, Iowa, will be our judge. His placings will determine the selling order of this grand offering. The show will commence promptly at 9:00 A.M. on Tuesday morning — the day of the Sale!

TERMS AND CONDITIONS

The Sale will start at 1 p.m., Tuesday, October 22, 1957.

TERMS: All sales are cash or according to arrangements made between the buyer and seller. Settlement must be made with the clerk immediately after the sale. All cattle will be at the buyer's risk as soon as sold but assistance will be given in loading, in compliance with buyer's instructions. All sales are strictly between purchaser and consignor and neither the clerk of the sale or sale manager assume any liability in any collection or adjustments concerning this sale, but will assist in handling of such matters, if necessary.

REGISTRATION CERTIFICATES: A registration certificate and transfer certificate will be furnished with each animal, and an application for registry will be furnished with each calf sold at foot or in dam. Breeding dates in the catalog are furnished by the consignor.

GUARANTEE: Health certificates will be furnished with each animal. All cattle are sold subject to a sixty-day retest for tuberculosis. Bulls are guaranteed to breed if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when bought, and if after three month's trial he fails to breed, the animal will be replaced with one of equal value or the money will be refunded. Cows with calves at side are considered breeders and no further guarantee is given. All other cows and heifers over fifteen months at the time of sale are guaranteed to be breeders. Animals which are returned to breeders because they fail to meet the guaranteed statement will be at the buyer's cost of transportation. It is understood the guarantee of the cattle consigned to this sale constitute a contract between the consignor and the purchaser of each lot. Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale. The sales committee does not assume any responsibilities in these matters.

ELDAK GRAND CADET — We are indeed proud to offer this really outstanding bull. Grand Champion at Red River Valley Fair, 1st at Minnesota State Fair and Reserve Senior Champion and 1st and Reserve Grand at S. D. State Fair. This bull has never been pushed but is one of the best quartered bulls in the country and has plenty of bone and stands perfect on his legs. If you want to put yourself in the cattle business, better look this fellow over closely. It takes a bull like this to improve the hind quarters on your cattle and he will do the job. Have used him quite liberally here at Eldak.

ELDAK JUBILEE — Out of the same cow as the nationally famous Eldak Campeon Max who is perhaps the top cow in the Eldak herd. This looks like a herd bull with tremendous length from hips back through pins. Stood 1st or 2nd all around the circuit this summer at 8 fairs. We feel confident that this bull will do anyone a lot of good. Have bred some of our best heifers to him including the Grand Champion female at Great Falls that we sold to the nationally famous herd of Bennett at Washington for \$1,000.
